PROGRAM 1 – FINANCE 64

Finance 64 provides answers to important decision criteria faced by businesses and home owners daily.

Should we buy or lease a particular piece of equipment?

Could we afford to increase our debt portfolio?

What interest rate can we afford?

What is the buying power of my future earnings?

Considering inflation what is the value of the money I will receive in five years?

Know what your selling price should be to provide the profit margin you choose.

Many, many more answers to your business problem.

PROGRAM 2 – SCHEDULE 64

Schedule 64 is a fully computerized diary that keeps track of all your appointments, bookings and future commitments. Gives reminders day by day if necessary.

Effectively helps you to manage and control your time needs.

Fully integrated with SPREADSHEET PLUS.
